

Minnesota Half Arabian Horse Association

6/28/10

Hello everyone!!

I trust that everyone had a great spring and is having a fun start to the show season! I attended a horse show back in May at the Stearns County Fair Grounds as a groom/spectator, but have not done any showing myself.

I was unable to attend the spring schooling show, but heard that it was great fun and had an amazing turnout. I have started the countdown for the Great Arabian Get Together... less than two weeks!! MHAHA is also hosting the Dog Days Dressage show in August, which I am also looking forward to. To wrap up the show season in September, MHAHA is hosting it's Fall All Breed WSCA and Schooling Show. It's part of a two day weekend combined with MAHA's Arabian Champ show and is part of the new Arabian Unplugged Program. We offer a variety of classes including WSCA all breed, Arab/Half Arab, walk trot, novice horse, novice rider and Tri-State schooling classes. Please plan your schedules accordingly, and we hope to see you there!

I wish all of you a great and memorable show season! Hope to see you at the shows this summer!

Sincerely,

Marisa Bernstein
