

Minnesota Half Arabian Horse Association

Summer has been a flurry of horse shows and related activities. MHAHA held the Great

Arabian Get Together July 9-11. The show was a success and it seemed that everyone had a good time... We had a hailstorm and that was even fun! The next show is our Dog Days show in August and then our All Breed WCSA / Schooling show in September. An online showbill is on the WSCA

OnDeck. Besides the usual WSCA classes, we offer walk-trot, Arab/Half Arab, novice, schooling, and jackpots! We sure hope you can join us!

On another subject, MHAHA would love to have more youth join us! Please contact our club (www.mhaha.org) or visit us on Facebook. You can find out more about our programs (including our great High Point program) and our shows!

As the club delegate, I had the chance to attend the Arabian Horse Youth Nationals in Albuquerque, NM. It was a blast! The show had 130 classes offered... entry numbers were high (67 in the Half Arabian Hunter Pleasure class) and there were over 1000 beautiful horses to watch! We had a parade of regions, with great floats, convention, rulemaking, dance contest, dinner, fashion show, consignment booth, flying pig contest and lots of shopping opportunities. AHYA youth programs are definitely worth joining!

We hope you can join us at our shows, and think about joining the club!

Ayla Spry, MHAHA Princess
